

Game Instructions

Call out the words in the lists below for your **students to make**. They place their **sound squares** on the ants body. Beginning sounds go on the head, middle sounds in the middle square and end sounds on the last square.

Eg:

Word lists and sound squares are **color coded** according to the letters you need. Thus you need all the **black** colored letters to make the words in the **black** list and all the **blue** letters to make the words in the **blue** list. You will need to **cut out the sound squares**.

Word Lists

black	blue	red	green	purple
an	mop	dog	jet	lap
it	cut	hog	vet	wet
is	rot	bat	box	yet
sit	fat	kit	fox	zap
pat	rat	hat	job	zip
tan	cup	bit	bat	lip
pit	mat	dig	jot	pet

Points to discuss

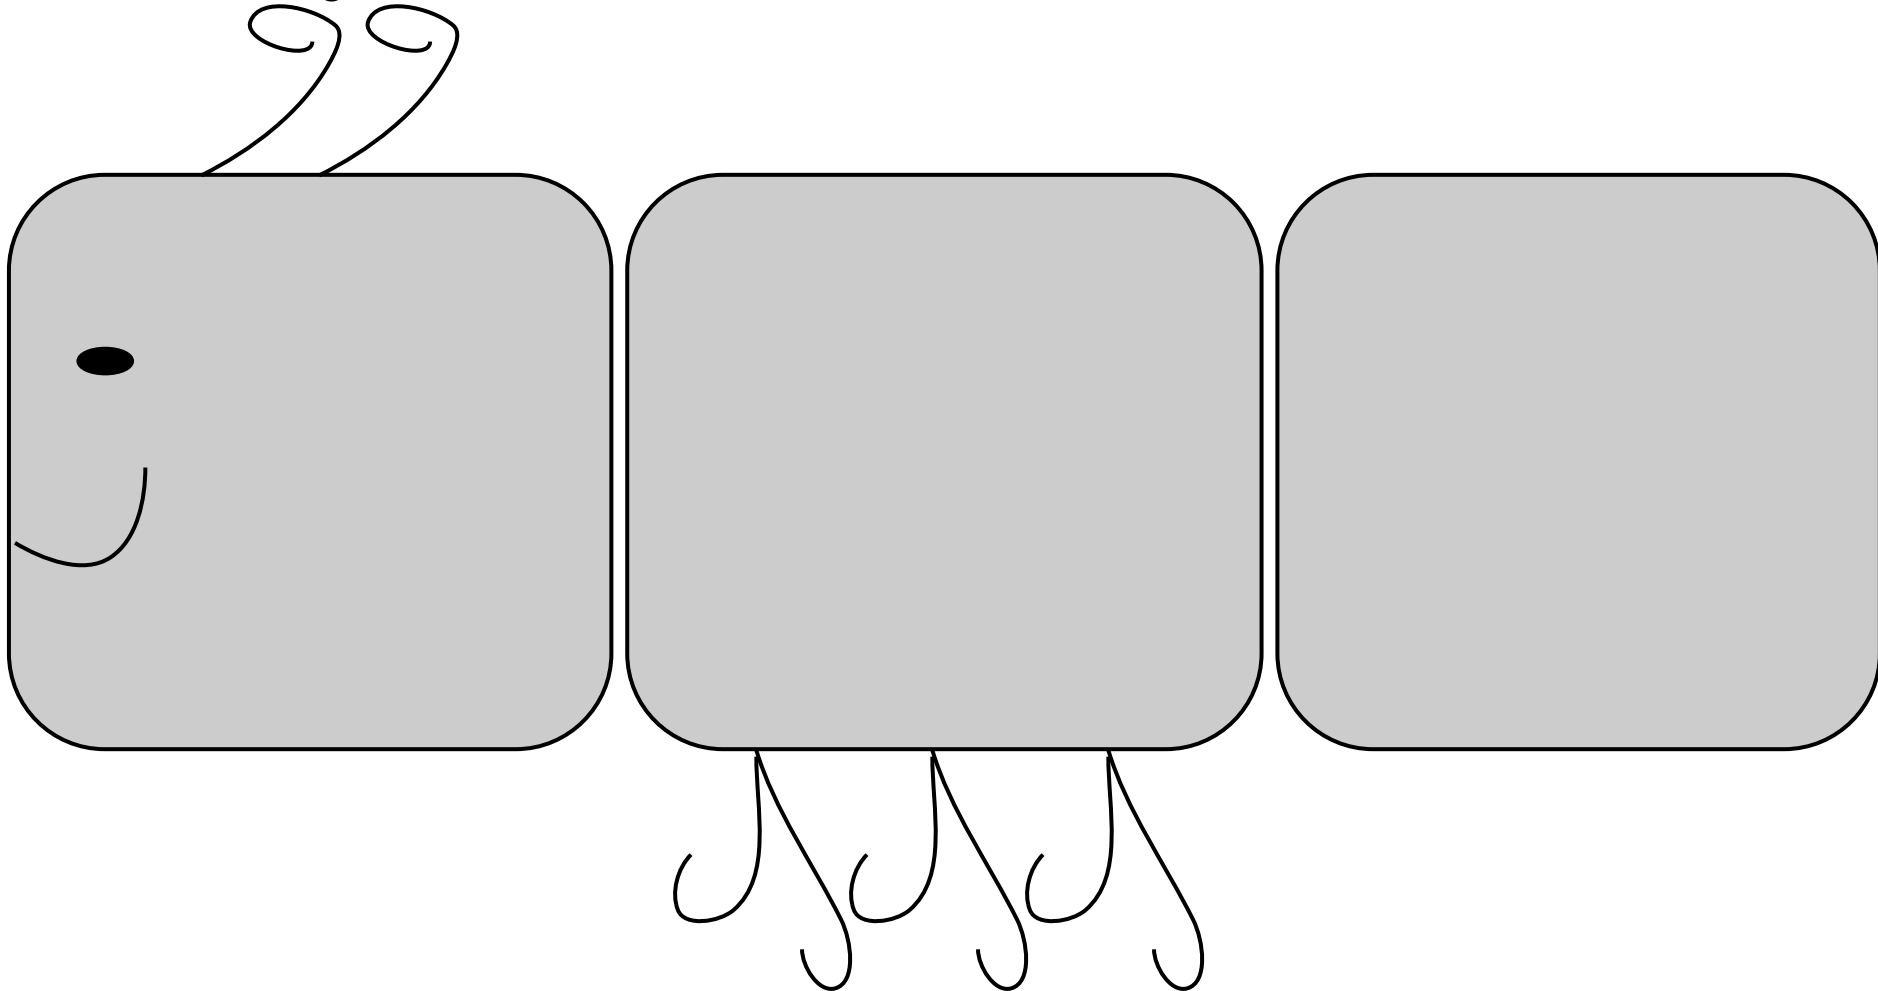

- How many sounds do you hear in the word?
- What sound do you hear at the beginning / middle / end?
- Can you make a word that rhymes with?
- Can you make your own words with the letters?

Use your sounds to make words

Beginning sounds belong on Annie Ant's head.

Middle sounds belong on her middle.

End sounds go at the end.
